About Me

I am passionate about programming and continuously improving my front-end development skills. I enjoy working with modern JavaScript frameworks and turning ideas into interactive, user-focused web applications. I am especially interested in contributing to real-world projects where I can learn, grow, and build meaningful products as part of a development team.

Experience

[WODI.OM](#) (Oman) | Frontend Engineer

July 2025- 8 Months

- Worked as a Front-End Developer in a product studio with 3 core ongoing projects
- Developed and maintained web applications using React, Next.js, and TypeScript
